

## Bali Pride Road Map

### BACKGROUND

Bali Island Area toward its population of 4 million people, Indonesia population of 250 million people, and the World population of 7 billion people. Therefore we consider of 10% of each group of area as LGBTQIA focus groups, for the assumption of Bali Pride, and Rainbow Shelter main targets, and vice versa.

Based on threaten, and violence or bullied and suicide among young LGBTQIA communities toward hate-crime by society either in Bali Island especially, Indonesia, and the World generally. Bali Pride, probably are not focused on HIV/AIDS Awareness directly furthermore it is focused on to the root of the challenge which is Self Acceptance, and Family & Society Acceptance. The root of it may cause different level of depression, which impact to each individual quality of life. Which may cause further challenges, sex, drug, alcohol, and smoking addiction which may involved into life tiredness, and suicide actions.

### OBJECTIVE

1. To bringing positive and strong impact to each LGBTQIA individuals through Self Empowerment, while it applied of Self Acceptance, before it goes to Family & Society Acceptance.
2. Happiness of each Balinese, Indonesian, and the World of LGBTQIA communities which applied to education, economy, and happiness programs.

## VISION

Become one of the World Class LGBTQIA Pride, represented the harmony of soul, mind, and body through preserving Balinese culture and tradition of Bali Island, while cooperative with Indonesian culture and tradition toward World Society Acceptance through LGBTQIA Empowerment.

## MISSION

### 1. Bali Pride Annual Parade

Its bring all LGBTQIA Communities and Ally based in Bali, Indonesia and the World get together in each June every year.

### 2. Bali Pride Party Fund Raising

Its bring cooperative relationships among LGBTQIA Industries based in Bali, Indonesia, and the World and their society, which organized three times each year.

January to April, VALENTINE

May to August, IDAHO

September to December, NEW YEAR

### 3. Workshop and Seminar

Its bring togetherness Academia, Public Figures, Industries, and Society to seat, think, discuss, and solve the current global challenges locally. This is our mission on education as the bridge of big gap challenges so far, either in Bali Island, Indonesia, and the World.

### 4. Photos Exhibition and Auctions, Film Screening and Discussion

Its bring Photographers, as well as Short-Film makers to contribute on their current LGBTQIA stories, that may impact to society awareness.

Bali Pride Road Map

## **5. University Level Student Competition**

- Debate Competition
- Essay Competition
- Speech Competition
- Sport Competition

We define as Mrs. Lesbian - Bali Pride (L)
- b. This is will bring Gay Focus Groups in Action  
We define as Mr. Gay - Bali Pride (G)
- c. This is will bring Transgender Focus Groups in Action  
We define as Ms. Drag Queen - Bali Pride (T)

During one year started from their selection, they will work voluntary represented our Vision and Mission trough Bali Island, Indonesia, and the World.

## **7. Active Cooperative on Bali Art Festival a Government Initiative**

- a. Bali Art Festival Parade  
Its bring Art Performance on the street from our LGBTQIA communities.
- b. Bali Pride Stands  
Its accommodate LGBTQIA NGOs based in Bali, Indonesia, and the World joined here and promote their activities through selling products to support the causes.
- c. Drama Opera combined of classical or modern music and dance, integrated with choirs at Arda Candra. Arda Candra is an open stage at Art Center where LGBTQIA communities may represent the content of Free & Equality Awareness.

## TIMELINE

### Pride5

1-5 years - EDUCATION.

This first five years, we would like to focus on bringing and tied the ideas within the communities, and the society through the power of education.

**Program:** (ESR) Education, Skill, and Research

**Objective:** Prepare each individual of LGBTQIA communities to contribute actively to society through education development.

Therefore we do hope able to recommend three students per year, at least and each from LGT focused groups for further studies in University, through University Partnerships.

#### Actions:

- a. Bali Pride Foundation
- b. Co-working Space Office and School
- c. University Partnerships

### Pride10

6-10 years - ECONOMY.

This second five years, we would like to focus on the power of economy.

**Program:** (CBI) Creative, Business, and Innovation.

**Objective:** Prepare each individual of LGBTQIA communities to contribute actively to society through economy development.

Therefore we do hope able to recommend nine start-up companies per year, at least two each from LGT focused groups for further, through Bank or Industrial Partnerships.

**Actions:**

- a. Start-Up Companies
- b. Co-working Space Office and School
- c. Bank or Industrial Partnerships

**Pride15**

**11-15 years - HAPPINESS**

This third five years, we would like to focus on the power of happiness.

**Program:** (LGT) Love, Greatness, and Thankful

**Objective:** Prepare each individual of LGBTQIA communities to contribute actively to society through happiness development.

Therefore we do hope able to recommend three public figures per year, at least and each from LGT focused groups for further, through Inter Partnerships. By then we host a Radio, and TV Channel, and also Publishing for the Happiness Awareness.

**Actions:**

- a. Non Discrimination, Non Violence at School, and Work
- b. Draft Free and Equality to Government toward challenges and issues

**Pride20**

**16-20 years - Education Economy Happiness**

This fourth five years, we would like to focus on the power of integration of the education, economy and happiness.

# I Bali Pride

**Program:** (E2H) (Education + Economy)\*Happiness

**Objective:** Prepare each individual of LGBTQIA communities to contribute actively to society through E2H development.

Therefore we do hope able to have better harmony living within LGBTQIA communities, toward open society. These indicate the self motivation from each individual assured responsibility for their own Quality of Life, toward their family and neighborhoods, and also the larger society acceptance.

**Actions:**

- a. Rainbow Shelter Projects
- b. Joint Projects Construction of Rainbow Shelter, its combination of large forest park, public library, and training school - integrate with Government Initiative of Bird Sterling Conservation (West Bali). It is has plan to accommodate about 1000 rooms, with different focus age groups. Its means teenagers, young, and also adult different genders, and also ethnic groups in Indonesia.

## Pride25

**21-25 years - LOVE, Leader, Officers, Victories, Equality**

This fifth five years, we would like to focus on the power of LOVE for the World Programs.

**Program:** (LOVE) Leader, Officers, Victories, Equality

**Objective:** Prepare each individual of LGBTQIA communities to contribute actively to the world society through LOVE program, means we will have some Leaders, Officers, toward the goal of Victories, and Equality perspective.

Therefore we do hope able to have represented Leader, and also Officers at Companies, Government toward the goal Victories, and Equality instead of building our nation, and the world peace programs.

Bali Pride Road Map

# I Bali Pride

## **Actions:**

- a. Organizing Indonesia Tour - participated by at least one person each LGBTQIA countries Leaders, and Officers.
- b. LGBTQIA Indonesia from Foreign Eyes to become an Art Creative, and Photo Essay Report.
- c. Three week residence, within about 9 countries per year and accommodation partnerships with National Governments, and also Embassy at Indonesia.
- d. SILVER - as Gift for each participant.

## **Breakthrough**

The REVIEW 25 Years of Bali Pride, within this period we do hope have trained enough LGBTQIA Leaders that may able to create, and innovate further actions within the challenges in society. By then we may ready enough to host World LGBTQIA Pride in Bali Island, through sailing from Sabang to Merauke.

## **Long Term**

To be defined again, while it is may has different challenges to the current issues. And it is probably enough time to trained LGBTQIA Leaders, and cooperative actively to local society, national, and the world.

## **BUDGETING**

1. Memberships Program
2. Fund Raising
3. Sponsorships

Best Regards,

I Nyoman Tenaya Santika

Founder of Bali Pride
